

Code of Conduct of the Crandon Public Library

PURPOSE

Under the provisions of Chapter 43 of the Wisconsin State Statutes, Section 43.52 (1), the Crandon Public Library Board of Trustees may enact regulations that serve to insure the safety of library staff and patrons, protect the materials collection and maintain order in the library.

While committed to providing an atmosphere that welcomes all ages to partake of the library's services, this policy attempts to provide guidelines which preserve a reasonably quiet environment and which promote safety and comfort for all individuals.

The use of the Library is a privilege and not a right. The privilege is given by the Library only upon the customer's compliance with this Code of Conduct.

All conduct that disrupts the use of the library facilities, collections or services or is defined as unacceptable in this library's environment is prohibited. If a person, or persons, is suspected of illegal drug or alcohol use, Library staff are required to contact law enforcement.

GUIDELINES FOR ENFORCEMENT

1. It is a patron's responsibility to maintain necessary and proper behavior standards in order to protect his/her individual rights and the rights and privileges of other patrons.
2. Enforcement of this policy is the responsibility of all library staff.
 - a. All staff members are expected to deal with problems they encounter using their best judgment.
 - b. Any staff member has the right to ask others for assistance and should provide assistance when requested.
 - c. Any staff member may contact law enforcement at any time to preserve his or her safety or the safety of other library users, or for assistance in enforcing policy and preserving the library environment as defined by the policies adopted by the Library Board of Trustees.
 - d. Any staff member observing serious criminal behavior, such as assault, robbery, child pornography or child endangerment, should contact law enforcement immediately, and follow up by contacting the Library Director.
 - e. A brief written report of any incident involving theft, vandalism, illegal activity, or major disruptive behavior will be filed with the Director as soon as possible after its occurrence.
3. The Library Director, acting on behalf of the Board of Trustees, may suspend the library privileges of any individual who willfully violates library regulations when the severity or continued reoccurrence warrants such action. [Wisconsin State Statutes 43.52 {2}.] The Library Director will inform the Library Board of any such action taken. The length of the suspension will be at the discretion of the Library Director.

4. The person whose library privileges are suspended shall be advised in writing of the suspension and the reason(s) for such action. The offending person shall also be informed that the suspension may be appealed at the next regularly scheduled Library Board meeting.
5. Disruptive children will be given a warning that he/she must settle down or be asked to leave the library. If after a second warning the child continues to be disruptive, he/she will be asked to leave the library. If the child needs to contact a parent, he/she may do so and then wait by the main entrance until the parent arrives.

Unattended Children

1. One of the primary missions of the Library is to provide a variety of services for children of all ages. The library encourages visits by young children, and it is our desire to make these visits both memorable and enjoyable for the child.
2. “Unattended” means that the parent or designated person is not in close proximity to the child. Library staff cannot be expected to assume responsibility for the care of unsupervised children in the library. Parents are responsible for their children’s behavior while in the library.
3. Therefore it is the policy of the Library that all children under the age of nine (9) must be in the company of a parent or caretaker (age 12 or older) while in the library. Even if the young person is attending a program, it is required that the parent/responsible person remains in the Library throughout the program. Any child old enough to use the library unattended must have the telephone numbers of a parent, guardian, or other responsible adult, who may be contacted to pick up the child in case of a health emergency, or other special circumstances.
4. If it is determined that a child is lost or left unattended, a staff member will then attempt to identify and locate the parent/responsible person. If a parent/responsible person cannot be found, then the child will be released to the care of law enforcement.
5. It is the responsibility of parents and/or legal guardians to be aware of the library’s hours and must arrange to pick up their children by closing time. If an unattended child is still in the library at closing time, the library staff will act according to the following guidelines:
 - a. Library personnel will not transport or escort a child to any location off the premises under any circumstances.
 - b. Every reasonable effort will be made by the staff to assist the child in contacting an appropriate adult 15 minutes prior to closing.
 - c. If no responsible adult arrives by closing, the library will contact law enforcement to come and pick up the child.
 - d. Children under the age of 16 will not be left on library property unattended after library hours. Law Enforcement will be contacted to protect the interests of the child.
